

## Re-Elect County Commissioner

# MOFFITT

Dear Voter:

As your neighbors and elected officials, we have worked with many of you over the years side-by-side to elect responsible leaders, solve civic problems, and improve the overall quality of life in our community.

In August you will have the opportunity to re-elect **Commissioner David L. Moffitt** as your representative to the Oakland County Board of Commissioners. We urge you to do so.

During his tenure on the Board of Commissioners, Moffitt earned the respect, recognition and trust a Commissioner must have to make sure your voices are heard. He has served as Chairperson and Vice Chairperson of important standing committees of the Board, has served as an elected member of SEMCOG, and has received Civic Searchlight's highest rating, "Preferred and Well Qualified", year after year.

Commissioner Moffitt has worked closely with local officials and community leaders, demonstrating leadership ability in issues of importance to all of us: opposing new taxes, support of law enforcement, seeking road improvement funding, developing an environmentally sound solid waste disposal strategy, and responding to senior citizen's and handicapped citizen's special concerns. He will continue to work hard for you to make sure the tradition of dedicated, concerned representation the district has come to expect is continued.

Many of your friends and neighbors will join the civic and community leaders supporting **David Moffitt's** re-election. For the sake of good county government, we hope you will too.

Sincerely,

  
L. Brooks Patterson

  
John F. Nichols
